

## Prime For Life

### ***Drug and Alcohol Abuse Education Classes***

The FourPoints Health's Prime For Life program is a **16 hour DUI/alcohol education course** taught by certified instructors. This course is available for court-ordered and voluntary participants and is designed to challenge common beliefs and attitudes that directly contribute to high-risk alcohol and drug use.

***Our primary goal is to decrease the number of people who struggle with addiction.***

Program participants work along with FourPoints Health counselors, probation officers and law enforcement to ensure that all court requirements are met.

This Prime For Life drug and alcohol education course is designed for adults (18 years old+) but a separate course can be provided for youth. **Our services are open to everyone** and we encourage both Native and non-Natives to participate.

#### **2019 SCHEDULE:**

- April 05 & 06
- June 07 & 08 (Youth only)
- August 09 & 10
- October 11 & 12
