

Emergency—After Hours Care

Getting Medical Care when we're Closed

- If you have a medical emergency, please call 911 for immediate assistance.
- If it is not a medical emergency but you feel your medical need is urgent. **Please call your local area FourPoints Health.** You will be automatically connected to an on-call medical provider, who will assess your health care needs.
- If you are instructed to seek medical care at an urgent care center or hospital. Don't forget your insurance card. Personal information is always needed.
- If you have any questions concerning the after hours process. Please call your local FourPoints health receptionist.
